# BACKGROUND

FOMO COIN

## FOMO KITTY

On November 5th 2021, **235 FOMO kitties** were minted and they are looking for something that can be traded and make a lot of fun. Thus, they created **FOMO Coin!**

# WHAT IS FOMO COIN?

## A MEME COIN 🤔

Who don't love memes? Let's create the most popular social media jokes.

## DEFLATIONARY 💰

The effect of burning coins to reduce the supply

## 💬 COMMUNITY

Linked to the FOMO Kitty (NFT) collection with only **235** supply.

## 📦 INCENTIVES FOR HOLDERS

Reward holders by airdropping tokens and NFTs.

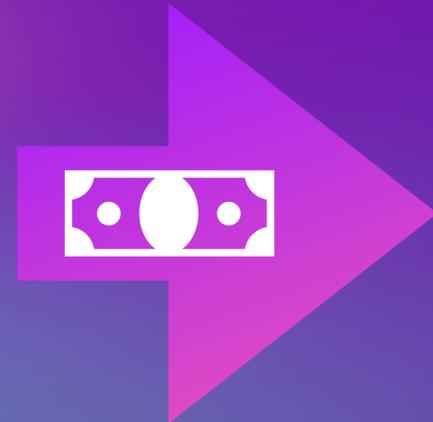

# KITTENOMICS

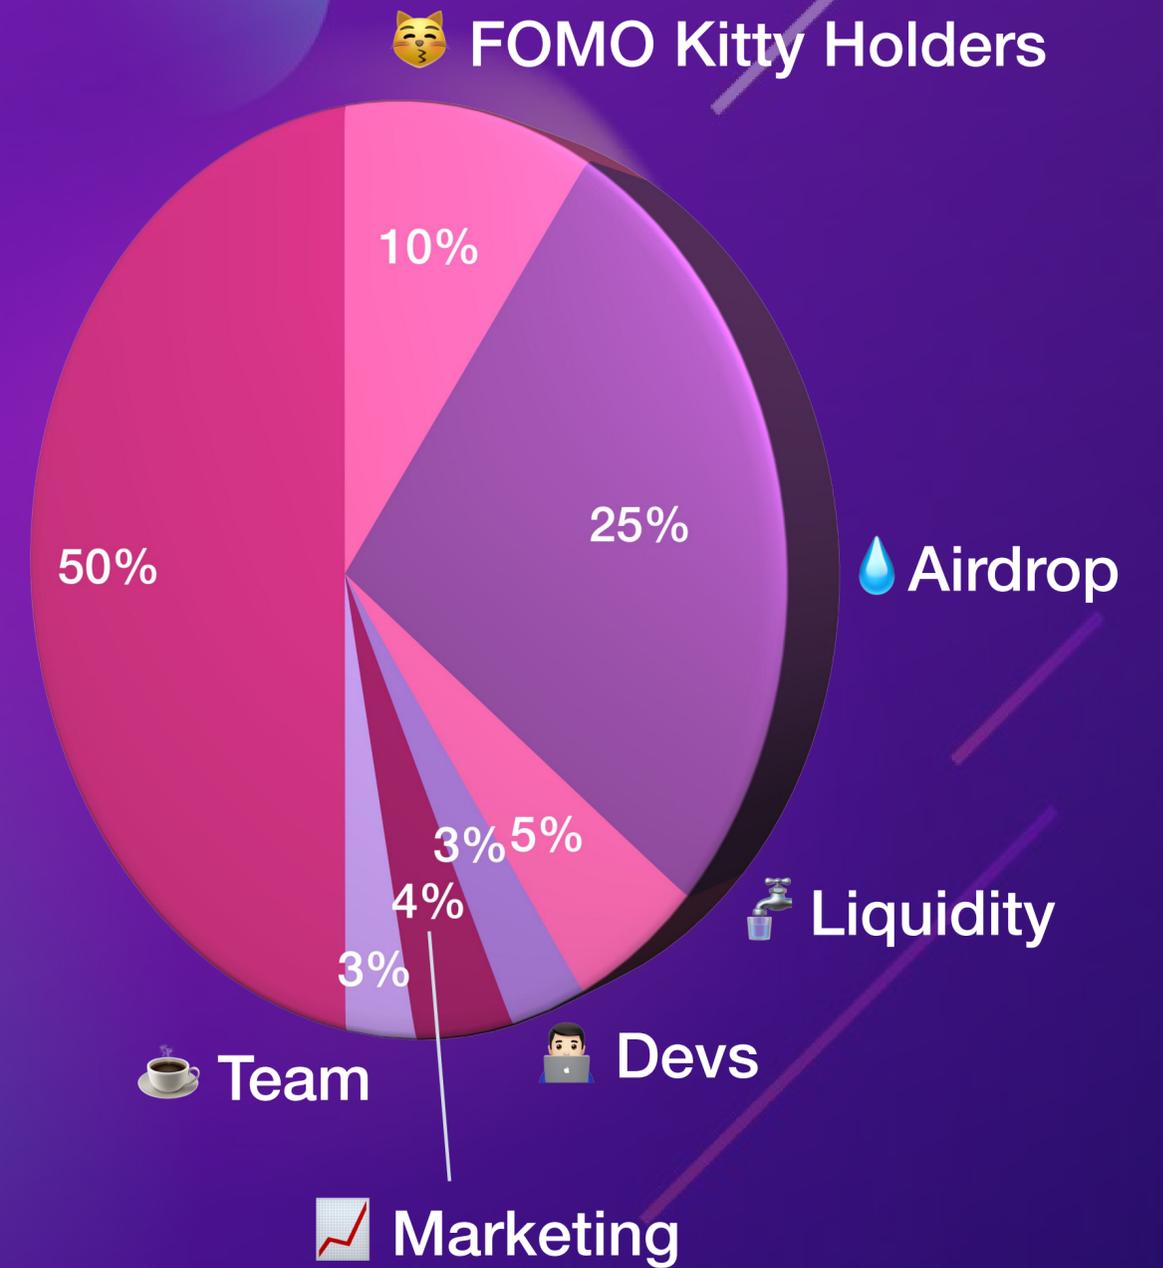

We rule the kittenomics!

# KITTENOMICS

🔥 BURN

# BURNING MECHANISM

Cheers! We will burn HALF of the maximum supply in the coming future.

# BURN EVENTS

\$FOMO Coin will be burned in at least one random day of every month until it reach half of the maximum supply.

50%

# HOW TO BUY

## 1. Convert Funds to USDC

Convert your funds to USDC (Solana) on centralised exchange (e.g. Binance, FTX, Coinbase, etc)

## 3. Send USDC to Wallet

Send your USDC (Solana) from exchange to your Phantom wallet.

## 2. Create Solana Wallet

We recommend Phantom wallet.

## 4. Go to DEXLAB
